(MR. SPEAKER)

"To the Hon'ble Chief Minister and other Ministers as well as to the several Chief Ministers, Ministers and the Dewans and the members of their Council of Ministers in the past I tender my sincere gratitude for the many acts of courtesy and kindness which they have shown to me.

"I must also express my gratitude to the present Members of the Legislature and to those who were Members of the Legislature of the old State of Mysore or of the legislature of the new State of Mysore. They have all been uniformly kind and considerate towards me.

"I offer my warmest thanks to my colleagues, past and present, without whose co-operation and support I would never have been able to discharge the duties of my office.

"Throughout my service in the Legislature, I have always tried to discharge my duties faithfully and honestly and in the best interests of the Legislature and its Members.

"I consider it my good fortune that the major part of my working life should have been spent in the service of the Legislature of Mysore and of the elected and nominated representatives of the people of Mysore and that too during the last 25 years which, compared to any like period of time in the past, may be considered to be the most momentous years in the long history of our Country.

Yours faithfully,

G. S. VENKATARAMANA IYER

Secratary."
